

WAKE ROBIN NURSERY

SPRING CATALOGUE

Welcome to my 2017 Catalogue

If you have finished with this catalogue please pass this onto a gardening friend. If you do not wish to receive this in the future please contact me.

Wake Robin Nursery is situated in Balclutha, a small town about 80 kms south of Dunedin. The nursery has mainly hardy perennials and potted bulbs. You are welcome to visit by arrangement. Please let me know if you do not wish to receive this catalogue in the future or pass this on to a gardening friend.

Mail Order Terms

There is no minimum order although freight costs make small orders very expensive. Order forms are enclosed for your use. Post office box numbers are not satisfactory. Please include alternatives to avoid disappointment as some plants may sell out quickly.

Postage and Packing . Orders will be sent by Courier. All Rural delivery addresses are \$5.50 extra

Up to banana box size.

South Island

Dunedin \$ 7.00

Christchurch (and Darfield) south \$ 8.50

North of Christchurch \$14.00

North Island

\$15.00 (under 5 kgs)

\$23.50 (up to 15 kgs)

Many smaller towns are now considered to be Rural delivery. This charge is \$5.50. Please contact me if you are unsure about this. You have the option of collecting your parcel from an alternative address or your nearest courier depot. Please check the plants before signing for them. If your parcel does not arrive in first class condition, please telephone me. Also notify your depot so they can see the damage and then we can claim a refund from them. Please do not repot the plants or destroy them or plant them in your garden.

Payment Options – Online banking, Mastercard/Visa (3 % extra surcharge) or a crossed ‘limit’ cheque made out to S Bound Please leave the money spaces blank, and write along the bottom of the cheque eg (Limited to forty dollars \$40.00). This allows me to write out the cheque for a lesser correct amount. All prices are GST inclusive.

Thank you for your order

D = winter dormant

Seeds

Actaea spicata Rubra D 30 for \$4.00
80 cms. Bright green, ferny-like foliage. Small white fluffy flowers in spring. In summer there follows bright red, shiny, berries (not to be eaten), held on slender green stems. A lovely showy addition to the woodland or shaded garden in a cool and moist site.

Aquilegia Bertolonii alba D 30 for \$4.00
To 30 cms. Fragrant nodding elegant blue flowers in spring. Lovely for borders or rock gardens. Sun but prefers part shade in very hot areas, good drainage

Aquilegia buergiana 'Calimero' D 30 seeds for \$4
20 cms. Dwarf with dainty purplish/wine blooms with contrasting soft-lemon corolla. Lovely.

Clianthus puniceus (Kakabeak) 30 for \$4.00
Native shrub with striking clusters of red flowers. To 2 metres. Flower spring to early summer.

Dictamnus albus var. Purpureus-(Burning Bush) D 30 for \$3.50
80 cms. Purple-mauve flowers with darker veins early summer, highly fragrant lemon scented leaves.

Dictamnus albus albiflorus RARE D 30 for \$3.50
90 cms. Highly fragrant, white, 5-petalled flowers in early summer. They and the unripe fruit, produce an aromatic, volatile oil which may be ignited in hot weather. Full sun.

Galtonia candicans (Cape Hyacinth) D 50 for \$3.50
To 1 metre. Spectacular late summer/autumn. Effective in groups. Sun.

Gentiana Tall White D 30 for \$4.00
60 to 80 cms. White flowers in summer. Sun.

Gerbera 50 for \$3.50
Bright yellow flowers over long period of time from spring onwards. Frost tender, indoor plant.

Lathyrus latifolius 'White Pearl' D 30 for \$4.00
Sun or partial shade. To one metre +. Fertile humus rich, well drained soil. Smothered in showy clusters of pure white, sweet pea-like flowers among grey-green leaves. A vigorous climber, it looks lovely scrambling over a sunny wall or through a hedge or evergreen shrub, although initially it needs to be tied into supports. No fragrance. Cut back the plant to ground level in early spring.

Lychnis x arkwrightii "Vesuvius" D 30 for \$4.00
To 40 cms. Bronzy-maroon foliage and bears very conspicuous and very large, molten lava-coloured, orange-scarlet flowers in summer. Sun/part shade.

Papaver alpinum D 30 for \$4.00
Mixed colours only. To 20 cms in height. Rare, beautiful alpine poppy. Blooms first season. Orange, yellow, white or salmon. Long flowering. Suits cold winter areas. Self sows or collect seed. May be short lived.

Papaver nudicaule D 30 for \$4.00
(Garden Gnome). 30 cms. Dwarf variety of the Icelandic poppy. Scented bowl-shaped papery flowers in shades of yellow, white, orange and red over many weeks in summer.

'Secure tomorrow today by sowing good seeds today and by watering them with faith and love to others' - *E Maregesi*

D = winter dormant

 (Prairie Violet) 20 cms. Deep violet blue flowers spring/summer. Flowers have 5 petals with the middle one prominently spurred. Leaves are divided into bird-foot-like segments with very narrow leaflets. Sun/part shade.

'A garden requires patient labour and attention. Plants do not grow merely to satisfy ambitions or to fulfill good intentions. They thrive because someone expended effort on them.' *L H Bailey*

'The glory of gardening: hands in the dirt, head in the sun, heart with nature.
 To nurture a garden is to feed not just the body, but the soul.' *A Austin*
