

# WAKE ROBIN NURSERY

## WINTER CATALOGUE

### Welcome to my 2018 Catalogue

If you have finished with this catalogue please pass this onto a gardening friend. If you do not wish to receive this in the future please contact me.

Wake Robin Nursery is situated in Balclutha, a small town about 80 kms south of Dunedin. The nursery has mainly hardy perennials and potted bulbs. You are welcome to visit by arrangement. Please let me know if you do not wish to receive this catalogue in the future or pass this on to a gardening friend.

#### Mail Order Terms

There is no minimum order although freight costs make small orders very expensive. Order forms are enclosed for your use. Post office box numbers are not satisfactory. Please include alternatives to avoid disappointment as some plants may sell out quickly.

Postage and Packing . Orders will be sent by Courier. All Rural delivery addresses are \$5.50 extra

Up to banana box size.

South Island

Dunedin \$ 7.00

Christchurch (and Darfield) south \$ 8.50

North of Christchurch \$14.00

North Island

\$15.00 (under 5 kgs)

\$23.50 (up to 15 kgs)

Many smaller towns are now considered to be Rural delivery. This charge is \$5.50. Please contact me if you are unsure about this. You have the option of collecting your parcel from an alternative address or your nearest courier depot. Please check the plants before signing for them. If your parcel does not arrive in first class condition, please telephone me. Also notify your depot so they can see the damage and then we can claim a refund from them. Please do not replot the plants or destroy them or plant them in your garden.

Payment Options – Online banking, Mastercard/Visa (3 % extra surcharge) or a crossed ‘limit’ cheque made out to S Bound Please leave the money spaces blank and write along the bottom of the cheque eg (Limited to forty dollars \$40.00). This allows me to write out the cheque for a lesser correct amount. All prices are GST inclusive.

Thank you for your order

‘The colour of springtime is in the flowers;  
the colour of winter is in the imagination.’ ~Terri Guillemets

D = winter dormant

**Bulbs**

Cardiocrinum giganteum D \$15.00  
 (Giant Lily). 5/6 year old bulbs in large pots. One of the most spectacular plants for a woodland type garden. Very large, nodding, lily like trumpet shaped flowers in summer. Flowers are strongly scented, white with maroon stripes inside. Attractive large leaves. Decorative seedheads. Moist but well-drained soil. Cool, partly shaded and sheltered site. Plants die immediately after flowering but numerous offsets are produced which can be removed after flowering. Offsets take 5 years to flower. A winter mulch is beneficial to protect new growth from frosts in early spring. Height 1.5 -4 metres.

Erythronium White Beauty Few D \$8.00  
 25 cms. In spring, white flowers with purple anthers. Marbled purplish brown leaves. Ideal for woodland garden, naturalising in grass, borders and containers. Light dappled shade, good drainage.

Eucomis – long lasting cut flowers. Sun, good drainage. Lovely for summer.

Eucomis Mixed D 2 for \$10

Eucomis Sparkling Rosie D \$7.00  
 50 cms. Pink flowers with very large raceme amongst dark purple-red foliage. Attractive seed pods.

Eucomis Summer Star D \$7.00  
 Very large bulbs. 70 cms. Pink/Burgundy flowers.

Eucomis Tugela Gem Few D \$5.00  
 Medium sized bulbs. To 60 cms. Creamy white flowers tinged pink and aging to dark pink.

Eucomis Tugela Reuben Few D \$7.00  
 60 cms. Dark purple buds open to starry white/purple flowers. Dark purple seed pods. Bright green strappy leaves.

Eucomis Tugela Ruby Few D \$7.00  
 Red/green foliage. Pink and white flowers.

Fritillaria camshatcensis D \$8.00  
 To 60 cms. Whorls of shiny green leaves. Last to flower. Up to 4 semi pendant flowers in dark purple/black shades. Similar interior colour but lacquered. Slight shade, humus rich, moist soil.

Galanthus 'Sam Arnott' Sold out \$11.00  
 (Snowdrops). 5 large (flowering size) bulbs-potted. Supposed to be the easiest and one of the nicest to grow with very large flower. Delightful in July/August for the first of the spring bulbs. Very good drainage, sun to part shade. Summer/autumn dormant.

Leucojum autumnale D \$8.00  
 Summer dormant with dainty, bell-shaped, white flowers flushed red at the base on 15 cm stems late summer/autumn. Grassy foliage. Sun/part shade.

Lilium - Asiatic D \$7.00  
 Lovely variety with burnt orange flowers.

Lilium martagon Album Few D \$13.00  
 Species Lily. 1.3 metre. Once established, 20 to 30 fragrant, white unspotted flowers.

Winter is the season in which people try to keep the house as warm as it was in the summer, when they complained about the heat. ~Author Unknown

D = winter dormant

- Lilium Triumphator* Few D \$8.00  
Huge, fragrant, outward facing, creamy white blooms with rose-red centres in summer. Trumpet-shaped flowers. Partial to full sun, well drained, humus-rich soil. Perennial borders, large containers and cutting gardens.
- Muscari White Magic* Sold out D 3 for \$7  
3 large bulbs – potted. Compact grape hyacinths which are uniform in size and flower shape. Ideal for pots to bring indoors. Naturalise well. Pure white, a new larger and stronger variety. 12 to 15 cms.
- Nerine fothergillii* var Major 2 for \$10  
Large bulbs. 2 large *Nerine* 'Fothergilla major' bulbs. Lovely upright stems and red flowers in autumn. Sun, good drainage. Plant with neck of bulb above soil level. To 40 cms. May be winter dormant.
- Nerine bowdenii* 'Alba' 3 for \$10  
To 45 cms. Bright white flowers in autumn. Sun. Plant in group.
- Ornithogalum Dubium* D 3 for \$8  
Long blooming with beautiful large flowers, yellow to orange or rarely white, often with a green or brown center. This species is found on mountains and flats over a broad area in the Cape Province of South Africa. Sun, good drainage. Suits drier place in garden eg rockery or under eave.
- Romulea clusiana* D \$7.00  
Produces a large showy inflorescence with 1-3 flowers growing from each corm. The flowers are 30-35 mm wide, quite variable in colour, purplish-pink or lilac, with darker veining on the tepals, a deep-yellow or orange throat and a whitish band above. Bright yellow stamens.
- Scilla hohenackerii* D 3 for \$8  
Spikes of quite large, pendulous, reflexed blooms of light indigo. Well drained soil with some humus matter. Light shade.
- Scilla peruviana* \$5.00  
Clump-forming, semi-evergreen, bulbous perennial with racemes of large, nodding, deep purple-blue flowers late spring/early summer. Suits sunny place and good drainage.
- Seeds**
- Actaea spicata* Rubra D 30 for \$4.00  
80 cms. Bright green, ferny-like foliage. Small white fluffy flowers in spring. In summer there follows bright red, shiny, berries (not to be eaten), held on slender green stems. A lovely showy addition to the woodland or shaded garden in a cool and moist site.
- Aconitum napellus* D 30 for \$4.00  
Tall and late flowering with hooded deep purply blue flowers.
- Aquilegia flabellata* alba D 30 for \$4.00  
To 30 cms. Fragrant nodding elegant blue flowers in spring. Lovely for borders or rock gardens. Sun but prefers part shade in very hot areas, good drainage
- Aquilegia buergiana* 'Calimero' D 30 seeds for \$4  
20 cms. Dwarf with dainty purplish/wine blooms with contrasting soft-lemon corolla. Lovely.
- Clianthus puniceus* (Kakabeak) 30 for \$4.00  
Native shrub with striking clusters of red flowers. To 2 metres. Flowers spring to early summer.

D = winter dormant

Gentiana Tall White 60 to 80 cms. White flowers in summer. Sun.	D	30 for \$4.00
Gerbera Bright yellow flowers over long period of time from spring onwards. Frost tender, indoor plant.		50 for \$3.50
Lathyrus latifolius 'White Pearl' Sun or partial shade. To one metre +. Fertile humus rich, well-drained soil. Smothered in showy clusters of pure white, sweet pea-like flowers among grey-green leaves. A vigorous climber.	D	30 for \$4.00

 20 cms. Large, showy, soft silvery mauve flowers with the palest cream edge and a yellow eye, from late spring onwards. Sun or partial shade. Trim back lightly after flowering.

‘What a desolate place would be a world without a flower!  
 It would be a face without a smile, a feast without a welcome.  
 Are not flowers the stars of the earth,  
 and are not our stars the flowers of the heaven.’  
 - A.J. Balfour
